## **Career Related Yogas in Your Horoscope**

Auspicious and inauspicious planets in our horoscope have their respective impacts on our career. Apart from houses, its also important to analyse the combinations for complete analysis of career. The combination s and their impacts are given here.

### **Bheri Yoga**

The ascendant lord, Jupiter and Venus are placed in each other's house and the lord of ninth house is strong. This combination of planets is creating Bheri Yoga in your horoscope. Your health will be good and you'll be proud. Your fortune will always favour you that's why, you won't have to struggle to get success. Venus will arouse your interest in arts. Jupiter in Kendra would be supportive in gaining knowledge and profit. Your financial condition will be sound.

### **Shankh Yoga**

In your horoscope, lords of fifth and sixth house are in Kendra from one another and ascendant is strong, which is forming Shankh Yoga. This yoga is good for studies, therefore, you'll have interest in studies. You can go for higher education. You'll win competitions and will become popular.

### **Yoga of becoming a doctor**

Rahu in your Kundali is strong and is forming aspect relationship with Ketu. This Yoga is favorable for becoming a doctor. If you want, you can become a good doctor through your hard work and intellect. You will have a sound knowledge of medicines, due to which, you will earn name and fame.

## **Your career according to Astrology**

### **Influence of ascendant on your career**

You are a strong advocate of personal freedom and hate working under pressure. You will share a good rapport with your colleagues and will come up to help when your co-workers need you. Due to your fair treatment you will receive the support of your friends. You will be quite popular.

You are very ambitious and it will be well for you to curb it a bit. Keep a check on your anger and do any action only after thinking about all the pros-and-cons. If you are able to do this you will be able to take your career in the direction of your choosing.

### **Influence of 10th house on your career**

Scorpio is in the tenth house of your horoscope, due to which you will wish to work with

modern techniques. You'd be inclined towards creative activities and will keep changing your work. You will yourself create the path of success.

As far as possible, you'll try to complete your work with the help of your abilities and hard work. You'd not expect others to help and won't like other's interference.

### **Position of the lord of 10th house**

The lord of tenth house, Mars is in a weak position. You'll have to control your anger and avoid getting involved into argument otherwise your professional relationship may become stressful. Some mishappening may occur after which you may have to regret.

You'll hesitate in taking risk at work. Courage and enthusiasm will help you in your progress. Plan well before you start any work, which will increase the chances of it being successful; you can defeat your opponents as well. Do not panic if your career fluctuates; act patiently and prudently.

### **Influence of the position of the lord of 10th house**

In order to earn your living, you might have to move away from your birth place that may be troublesome for you, but for a better future, it would be good to stay away from home. You should have control on your expenses if you want to save money. You may have to go on journeys for professional purposes. You may be in the quest of spiritual happiness.

### **Influence of the lord of 10th house in your Dashmash Kundali**

Moon is the lord of tenth house in your Dashmash Varg Kundali. You'll be imaginative and you'll have interest in arts and music. You can make your career in these fields after pursuing training. Your cooperative behavior with your colleagues and coworkers will help in your growth.

You won't expect anything in return if you help anyone at work. Wherever you will work, you will earn respect and honor due to your knowledge and intelligence, and your life will be prosperous.

### **Your Interests and Hobbies**

You may have interest in thrilling sports like boxing, karate, racing and gliding and you could take it as profession as well. You'll think of earning through car racing and can also choose machinery work for your livelihood. You'll try to earn name and fame in acting.

### **Planet in the income house of your Kundali**

It is necessary to consider the income house for the analysis of your career. The position of

planets in the income house has a deep impact on your income.

## Uranus

## Neptune

### **Position of planets in your Kundali**

Planets have their own movements. You reap the results in your life according to the position of planets in your horoscope at the time of birth. If the position of planets is auspicious, results will be positive. But if the position of planets is weak and inauspicious, then the results may be negative. Planets influence the career of a person according to their position. Following are the results of planets according to their strong or weak positions in the houses of your horoscope.

#### **Position of Sun in Kundali**

Sun is strong in the second house of your horoscope. This will give excellent results. You'll get happiness and help from your father. You'll achieve professional help if you share sweet relationships with your family members. Wherever you'll work, you'd never compromise with pride and principles. Despite donations and charity work, you'll be able to save from your earnings.

#### **Position of Mercury in Kundali**

Befriend decent people. Try to stabilize your thoughts to achieve professional success. You'll have less interest in mathematics and will be weak in it. You should think before making investments as you may suffer losses.

Keep ego at bay for professional success. Consider every aspect of the project you start otherwise it may fail. You may have to travel for work. Don't apply your brain in wrong direction and work without hassles in mind which will increase auspicious results.

#### **Position of Venus in Kundali**

You'll have interest in music, singing, dancing and poetry and you can choose it as your profession as well. You may have ability to decorate things and make them attractive. You can take it as a profession and can earn well.

You can enlarge your friend circle through your sweet and polite nature. Your disciplined behaviour at work will earn you prestige. You'll help others selflessly. You'll live life happily.

#### **Position of Mars in Kundali**

Mars is weak in your Kundali. In such a situation, you should use your enthusiasm and zeal for performing good deeds. Performing immoral activities may bring punishment for you. Due

to the presence of Mars in 12th house, you are under the influence of Mangalik Yoga too. Thus, controlling anger is inevitable for both professional and married life.

You could win over your enemies and opponents through your intelligence and strength. Keep patience and follow the path of truth for your benefits. You should develop sweet relationships with friends to win their support. Try to control unnecessary expenses. Be alert and attentive to prevent theft.

### **Position of Jupiter in Kundali**

You should take suggestions from your seniors officials before starting any work. Lord sitting in the fifth house is weak that's why you may fail in managing your expenses. It will be good for you to take suggestion from your wife or other family members in business. You can do the same to balance your income and expenditure.

You'll have a sweet voice. If you'll try to improve your memory it'll be beneficial for you. Along with your studies, you should try to get perfection in your expertise, this will increase chances of getting success.

### **Position of Saturn in Kundali**

Saturn in your Kundali is situated in strong position in 12th house. You will be hopeful. You will try to improve your future through hard work and dedication. You could employ newer methods to finish your work projects. You will use scientific ideas and resources to modify your projects.

You are a religious person but you will not waste time in pomposity. You will utilize your free time to do some productive work. Due to this quality, negative thoughts will not overpower you.

Dedication towards work will be the root of your progress. Your income will be good but you will have to keep a check on ever-increasing expenses. You may like to study law books. If you will pursue education in this field then you will become a knowledgeable lawyer. You could also achieve great success in this field.

### **Position of Moon in Kundali**

You'll be stable and will be focused towards your goal. You will also be good in decision-making which will help you to be successful. Strong moon in the 4th house will keep your morale high through which it will be easier for you to solve professional problems.

Your behaviour will be decent and you will help everyone. You'll succeed in life with your mother's blessings. You can even get a chance to go abroad.

### **Position of Rahu in Kundali**

You could build your career in the field of aviation by proper training and knowledge. Medical or tele-communication media could become the source of your livelihood. Rahu situated in strong position in 12th house will help you achieve success in these fields. You could also earn wealth and fame by the business of electronic goods and crafts.

As your work experience will increase, your performance will get improved. You would be highly eager to reach the heights of success. You could be more successful if your project is linked to the foreign countries. Journeys done for professional purposes may yield profits. You will not be afraid of your enemies. You can defeat them through your intelligence and ability. You will spend according to your income.

### **Position of Ketu in Kundali**

You may hesitate to take initiatives and may feel nervous in taking any risky decision. You may have baseless fear of your competitors and enemies. Take this fear out because you can defeat your opponents with patience and prudence.

You may face financial crisis, as a result of which you may have to take loan. The situation can be improved if you control unimportant expenses and try to save money. Worries will only make you ill and will not reduce your troubles. Yoga and meditation will help you calm down your mind and enhance your work efficiency.

### **Your relationship with others at workplace**

The relationships with senior officials, colleagues and juniors on the professional front are especially important. Maintaining healthy relationships with them makes your work easier and you achieve success. Whereas bad relationships create obstacles in the path of success and you have to face various challenges at the work front.

### **Your relationship with your senior co-workers**

Filled with self-confidence, you will be a hard working and dedicated person. You will be able to impress your senior officials through these qualities and will stay ahead of your competitors. Senior officials will keep on guiding you. You will continue to get opportunities of promotion due to good relationships with them.

### **Your relationship with your peers**

You should maintain good relationship with your co-workers and should cooperate with them in need. Try to resolve the ideological conflicts through peaceful discussions. Do not use the words that may hurt others.

Do not ignore the benefits of co-workers for your own benefits. If the credit of your work goes to your colleagues and friends, you should act patiently instead of getting worried.

### **Your relationship with your junior co-workers**

You will be a workaholic and dedicated person. You will like to keep yourself busy in work in order to complete your work on time. Due to this attitude, your subordinates will also be

inspired to work hard. You will give full respect to your colleagues. Your juniors will fully cooperate with you and the results of work would be better.

## **Conclusion from your Kundali**

### **Your education and skills**

The planetary combination of education in your birth chart is favorable. Your achievement in the field of education may be average. You will have a graduate or an equivalent degree. You must use new resources apart from education to shape up your career. Your proficiency will help you build your career.

### **Your workplace**

Possibilities of getting a job at your birth place are strong, according to the Yogas formed in your Kundali. You will get an opportunity to do business or job in your home town.

### **Support of luck**

Several auspicious Yogas are present in your Kundali. It would be easier to achieve success under the influence of these Yogas. If you will do your work with dedication, you will get positive results and will keep on climbing the ladder of success.

Sometimes, you may face hurdles in life but you will cross them easily through your hard work and courage.

### **Possibilities for you in business or job**

According to your Kundali, there are excellent opportunities for you in business as well as job. You will earn money from both these fields. If you will do your work with full confidence and dedication, you will definitely succeed.

## **Astrological remedies for a bright career**

Treatment always lessens pain. Vedic Astrology also provides remedies to increase the auspicious influence and reduce the inauspicious influence of planets. According to Vedic Astrology, methodically performing the remedies of planets reduces the obstacles created by the concerned planet, as a result of which, the person is able to achieve success through his efforts. The aim of predicting future by means of Kundali is same, i.e., to find solutions to the

difficulties and make life prosperous.

## Gemstone Remedies

You are born in Aquarius ascendant. Being the lord of 4th and 9th house, Venus will especially give you auspicious fruits. You should wear diamond(the gem of Venus) to reap the auspicious results of your fortune. It will fetch you results appropriate to your efforts. Your hidden artistic skills would be reflected in your activities. Your income will increase and doors of success will open on the professional front.

You can progress in the field of entertainment. This gemstone will give you the ability to decorate objects. You may enjoy the comfort of vehicles. Diamond will make you attractive and will enhance your personality traits.

You will become practical. You will be able to control your anger, and politeness and kindness will be added to your behavior. You will become more popular amongst the members of opposite gender. This gemstone should be worn in Shukla Paksha on Friday in an auspicious time after sanctification with mantras. By doing so, you will get all auspicious fruits of the gemstone.

## Donation Remedies

There are several remedies to increase the auspicious fruits of planets and reduce the malefic influence. If you want to make the planets auspicious by means of donation then keep in mind some general rules.

1. You should donate with full faith to reap the auspicious fruits of donation. The donation done without faith doesn't yield any results.
2. A person gets the results of donation according to his faith.
3. An important point to be kept in mind while making donations is that it should be done according to capabilities.
4. You could increase the quantity of things to be donated according to your capability.
5. If you are not able to donate all the products related to a planet then you can donate any of them.
6. Giving donation to needy people is best.

To reap the auspicious fruits of Venus, you should donate the products of Venus. Silver, rice, sugar candy, milk, curd, white clothes, white flowers, perfume, white horse, white sandalwood are the products of Venus.

## Mantra Remedies

Chanting the mantra("Om Dram Drim Draum Sah Shukray Namah") of Venus regularly for 108 times would be auspicious.
