Future of Your Child and Jyotish

The moment a parent holds his or her child for the first time is one of the most precious and cherished moments of life. The child is the supreme creator's gift to the entire family the world to keep the life-cycle running.

Because the family's future is dependent on the child, that's why it's natural for the parents to be curious to learn the future of the child, and what role they can play to make it brighter, so that the child is an asset to the family and the country.

Vedic astrology gives you a glimpse of the natural inclinations, skills, qualities negative attributes, etc., of the child. This will help the guardians understand what guidance and facilities they must provide the child to help him or her achieve the best.

This report has a detailed analysis of your child's kundali through which you can find out what opportunities and threats your child will face till he grows up.

Ascendant, Rashi etc..

Impact of the Ascendant on Your Child

The ascendant of your child is Pisces. Jupiter is the lord of Pisces ascendant. Chanting the mantra of Jupiter would be good for physical and mental development of the child. The mantra of Jupiter is: "Om Brim Brihaspataye Namah" You should chant the mantra of Jupiter in the morning. Chanting the mantra 108 times everyday would be beneficial. You can also chant the mantra 11 times if you don't have sufficient time.

Impact of the Rashi on Your Child

Your child is born in Cancer sign. He will be well-built and will have a fair complexion. He will be naughty, high-spirited and intelligent. New ideas and imaginations may often come in his mind, using which, he can progress in his life.

Your child will be emotional and may sometimes get hurt even on small issues. He will love nature and will like travelling. He may lack stability and may get bored quickly at any one place.

Your child will be a nice person. He will be respectful towards his teachers and elders, and will have interest in religious activities. The child will be courageous and he will like to work on his own. He will like to start any work after thorough analysis and will achieve success.

Your child will be indifferent towards money and he may be in company of nice people. He may get injured many times during his childhood, so he must be careful.

Impact of Day of Birth on Your Child

Your child is born on Monday. His behaviour will be friendly. He will be happy and will try to

keep others happy. He will talk politely with everybody but will not like to waste time on unnecessary things. He will be generous and will help people in need.

He will be good in studies and will also have knowledge of arts. Your child will have good tolerance power and he will face every situation with courage. When he will grow old, he will earn a lot of money. He may suffer from cough or gastric problem. He should take care of his health.

Birth Nakshatra of Your Child

Your child is born in Pushya Nakshatra of Saturn. Your child will be healthy and good looking. Right guidance will develop the feelings of pity and spirituality in your child. He will be truthful. His mind will be sharp and calm, which will help him learn things by listening to others. The basic education of your child will be good.

When your child will grow up, he will earn name and fame through his work and qualities. He will have interest in different types of arts. His luck will support him throughout his life, which will help him progress on the path of success. He will gain popularity in whatever field he works.
